WELCOME TO KNOXVILLE!

The tournament directors of the 1995 ACF Championship welcome the participating squads to the University of Tennessee.

Welcome ACF Teams to Knoxville and the University of Tennessee. We're pleased to have so many teams here particularly since this is part of the University's Bicentennial Celebration. We hope that you have a good stay in Knoxville, a more amenable city than rumor would have it. We were the site of the first ACF Nationals and we hope to host many more.

We know the "in" places to eat, to buy used books, new books, used CDs and vinyl, new CDs (not much new vinyl), and anything else your little hearts might desire from a good place for Sunday church services to Knoxville's hottest drag bar - don't hesitate to ask.

You may see less of Carol this tournament than usual and that's because just scant weeks ago she gave birth to our son, Ian Andrew Guthrie Windham. So ask to see baby pictures, too.

Have fun, y'all.

Don Windham and Carol Guthrie

Remarks from the Aggies: "Standing tall and proud, the Texas A&M University Academic Competition Team will be attending its first national tournament in Knoxville. While we welcome any opportunity to spend long hours stuffed into a rental van, weaving our way down the backroads of the American south, we anticipate the chance to match our wits against the (mostly) unfamiliar teams at ACF nationals even more. This assumes, of

course, that we can manage not to lose on or more teammates during our "rest stops" in Memphis or New Orleans. Hey, it's happened!"

To all ACF Championship participants,

From the beginning, ACF has been guided by the vision and the dedication of Ramesh Kannappan. The success of the past few years' ACF National Championship Tournaments largely stem from his tireless efforts. Ramesh has stated that this will be his last Nationals as he hopes to move on to other endeavors and devote more time to his family. We thank him for all that he has done and wish him the best of luck in the future.
